Join us for the 2021 Physics of Living Systems Education Meeting to learn more about how we can better support Black scientists in the field. Faculty, postdocs, graduate students, undergrads, and K-12 educators are encouraged to attend.

**Friday, March 12, 1:30 - 5pm Eastern** - join us for short talks by leaders from academia and industry on how to implement the American Institute of Physics TEAM UP recommendations on systemic changes to increase African Americans with bachelor's degrees in physics and astronomy.

**Saturday March 13, 1 - 4pm Eastern** - mentoring workshops for students
